### **We are moving our meeting location!**

After nearly eleven years at our church location, we have begun to outgrow the facility. We have decided to move our meeting location to a larger place to better accommodate the needs of our “members” and family.

Beginning with our **September 9, 2012** meeting, we will now meet at the:

**Woodbridge Main Public Library  
1 George Frederick Plaza  
Woodbridge, NJ 07095**

This is a permanent change. Our meeting times will remain the same, 1:30 PM, except that we must conclude by 4:30 PM to be able to clear the room by the time the library closes at 5:00PM. Our meeting dates will remain the same. Doors open at 1:00 PM. This location is handicapped accessible.

Enclosed are directions to our new location. Meeting dates can always be verified on our website at [www.NJCarcinoidNetwork.org](http://www.NJCarcinoidNetwork.org). Directions are also available there. Our contact information and mailing address will all remain the same.

We have also updated our light refreshments. Judy Golz donated a K-cup coffee maker, solving the dilemma of “regular or decaffeinated”. We have a supply of coffees and creamers, but if you have a favorite K-cup brand, please feel free to bring it along.

Unless we have a current e-mail address for you, this is the only notice we will be sending. If you live out of the area, you are of course always invited should you be nearby.

Maybe we haven't gotten to see you for a while; maybe you never have come to one of our meetings, but what better way to help us celebrate our growth than sharing your experience with others. We invite and encourage patients, family and caregivers to attend.
